About Us

- The **New Forest Junior Athletic Club** was founded in 1999 in order to provide athletics within the New Forest Schools area to children who are interested in and keen to improve their athletic ability.

- The club based at Noadswood School in the Waterside area of the New Forest, provides training and competition throughout the year.
- Despite being a relatively new club, many children have represented Hampshire in national competitions.

The club has recently acquired England Athletics Clubmark accreditation and is affiliated to the Hampshire Athletic Association and England Athletics. The club also acts as the schools/clubs link for both the New Forest Schools Athletic Association and the New Forest School Sport Partnership.

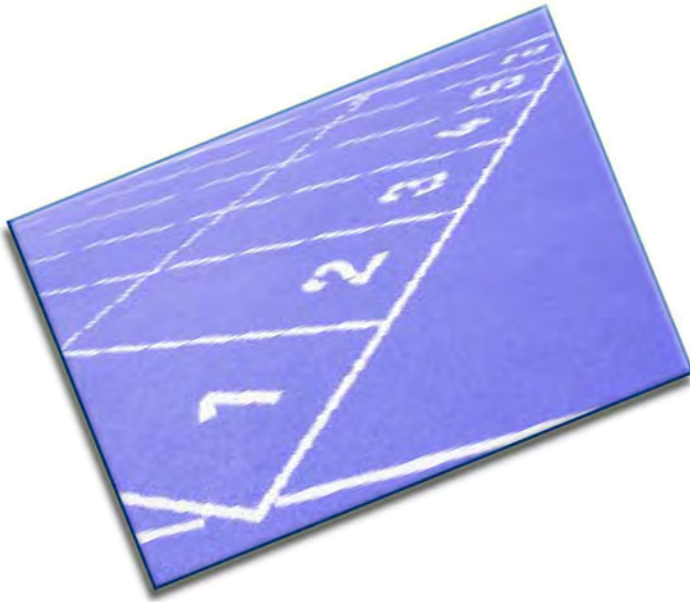

NEW FOREST
SCHOOL SPORT
PARTNERSHIP

The club is particularly keen to improve facilities in the area as well as provide the highest possible standard of coaching. All our coaches are qualified, concentrating particularly on the development of young athletes.
